

Sample four year curriculum with a suggested ordering of courses. Students may re-order as needed.
* indicates not automatically waived with transferrable associates degree, C or better required for transfer.
Courses in green are waived by the completion of an Associate degree (Not eligible for Applied Associate degrees).

and Research

Satisfies Information Literacy

This four-year plan is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

NOTE: All students must complete and submit to the department a capstone paper in the junior or senior year.

**Students may choose one of the following emphasis areas: Urban or Environment and Resources. Consult your catalog and advisor for your best option. Physical Geography emphasis may substitute the following ocean, earth and atmospheric science courses for up to 12 hours of Geography credit: OEAS 306, 310, 344W, 412, 443 or 448.

***Upper Division General Education may be satisfied by several options. Consult your catalog and advisor for your best option.

****See course listings in catalog and consult with your advisor for correct elective choices.

Requirements for graduation include a minimum cumulative grade point average of 2.00 overall and in the major, a grade of C or better in all courses required for the major, including prerequisite courses, 120 credit hours, which must include both a minimum of 30 credit hours overall and 12 credit hours in upper-level courses in the major program from Old Dominion University, completion of ENGL 110C, ENGL 211C or 221C or 231C, and a writing intensive (W) course in the major with a grade of C or better, and completion of Senior Assessment.
