

FACULTY SENATE ISSUE FORM
Date Submitted: February 22, 2023
Title of Issue (a short descriptive title by which the issue may be referenced)
Proposed changes to standard class meeting times
Description of Issue: The Deans Council recommends changes to the standard class meeting times for on-campus and synchronous distance learning classes. The proposal is to change the standard timeslots for both on-campus and synchronous classes after the 3:00-4:15 timeslot to the following.
For MW and TR classes: 4:30-5:45 pm 6:00-7:15 pm 7:25-10:05 pm
For once-a-week slots on M, T, W, R, F: 4:30-7:10 pm 7:25-10:05 pm
A document showing all current standard meeting times and the proposed new times will be forwarded separately.
Rational for Submission: For distance learning classes, five minutes between the 3:00-4:15 and 4:20-5:35 (or 4:20-7:00) timeslots is not enough time for the CODECs to start and stop. This is also often not enough time for on-campus students to get to class if they are taking classes in both timeslots.
