

Motorized and Non-Motorized Personal Transportation Devices (PTDs)

University Vehicle - All vehicles and equipment owned by the University, including but not limited to vehicles, golf carts, utility vehicles, trailers, heavy equipment (such as aerial lifts, tractors, and mobile machinery), and any vehicle rented or otherwise retained and/or operated by a University representative for the purposes of business or operations.

Vehicular Right-of-Way (V-ROW) – Term for specific routes through the University interior(s) which are made of various material types that have been specifically engineered and installed with a designed intent to bear the loads of emergency vehicles and/or heavy equipment.

#### **D. SCOPE**

This policy applies to all employees, students, volunteers, contracted service providers, tenants of University property, and visitors to the institution. Employees include all staff, administrators, faculty, full- or part-time, and classified or non-classified persons who are paid by the University. Students include all persons admitted to the University who have n

- iii. Emergency and service vehicles and equipment may operate on sidewalks in support of specific work assignments, but operators must yield
